AS SYSTEM COMPACT TOOLS

STIHL AS System tools are small, easy-to-handle and make the actual work easier to accomplish with a bit more fun. Despite their compact size, the AS System battery tools are surprisingly powerful. The ingenious design of a small battery-powered tool makes everything run smoother, faster and easier.

AK SYSTEM FOR DEMANDING HOMEOWNERS

Your yard is your own personal project and the tools you use here need to meet high demands. They need plenty of power, while being easy-to-use. The STIHL lithium-ion battery tools with 36 V removable batteries offer you precisely this combination. With a flexible range of tools – all offering the usual STIHL quality – you will be ready for any challenge.

WHY BUY STIHL BATTERY?

REAL POWER All STIHL battery tools are driven by powerful lithium-ion cells built to our strict standards. STIHL's world class engineering combines these cells with proprietary intelligence to maximize power across our wide range of tools.

TRUE PERFORMANCE STIHL's Constant Power Technology ensures ultimate performance is delivered based on your task.

ULTIMATE DURABILITY STIHL batteries are engineered with safety and durability in mind. Our engineering includes technology to protect from water damage (IPX4) and damage due to deep discharging and/or overheating that could be caused during operation or charging.
